IQAC Action Taken Report – 2025-26			
Sl. No.	Suggestions / Recommendations	Action Taken	Outcome
1	Enhance employability and industry readiness	Add-on Courses on Quantitative Aptitude, Communication Skills, Placement Readiness, Advanced Excel, and Power BI were conducted through external experts and industry partners	Student feedback ranged from 79%–84%, with all programmes rated Outstanding
2	Increase skill-based certification opportunities	Online and offline Certificate Courses such as Power BI, Business Analytics, Advanced Excel, R Programming, C Programming, and GIMP were offered across programmes	Majority of courses received Outstanding to Exemplary ratings, with feedback ranging from 74%–91%
3	Strengthen AI and emerging technology exposure	AI-focused initiatives including YUVA AI for All, Build Website with AI, and awareness sessions on Generative AI tools were introduced	Improved student awareness of emerging technologies and future career opportunities
4	Promote practical and experiential learning	Skill-based training, practical software applications, industry-oriented workshops, and project-based learning activities were integrated into teaching-learning processes	Students reported enhanced practical knowledge and career readiness
5	Improve communication and employability skills	Communication and Interpersonal Skills programmes were conducted for first- and second-semester students	Students demonstrated improved confidence, communication, and presentation skills

6	Increase career guidance and placement preparedness	Placement Readiness Programmes, aptitude training, and career guidance sessions were organized for final-year students	Improved student preparedness for competitive examinations and recruitment processes
7	Strengthen student participation in co-curricular and cultural activities	Student forums conducted cultural programmes, entrepreneurship activities, fests, seminars, and skill-development events throughout the year	Increased student engagement and leadership opportunities
8	Enhance industry exposure and experiential learning	Industrial visits were organized for students across programmes to organizations such as NSL Sugars Ltd., Mahmul Dairy, KSIC, IISc Bengaluru, and Cyber Lancers Academy, Mysuru	Students gained practical exposure to industry operations, research environments, business processes, and emerging technologies, thereby bridging the gap between theory and practice
9	Improve infrastructure and student facilities based on feedback	Upgradation of canteen services, classroom facilities, projectors, and maintenance initiatives undertaken; cleanliness measures strengthened	Positive stakeholder feedback and improved campus experience
10	Encourage research and academic enrichment	Faculty Development Programmes, student conferences, workshops, and paper presentation opportunities were organized	Increased participation in research-oriented and academic activities
11	Promote community engagement and social responsibility	NSS, YRC, Rotaract, Sports, and Eco Mitra activities conducted through outreach and extension programmes	Enhanced community participation and social awareness among students
12	Address curriculum feedback from stakeholders	Feedback from students, alumni, employers, parents, and faculty was analysed; emphasis placed on practical learning, internships, case studies, AI-based learning, and industry-oriented content	Inputs incorporated into academic planning, value-added programmes, and certificate course offerings
