Shooting Academy in the College Campus

Shooting games have been highly skilful and expensive games among all the sports which require a great amount of skill set and focus. This sport however, has certain requirements like a shooting range which is atleast a 10 meter shooting range. With a limited infrastructural constrains, our college has managed to erupt a state-of-the-art 10mtr air rifle and pistol shooting range which is first amongst Bengaluru City Colleges. The shooting is now a full fledge registered Shooting Academy. Since, its inception academy has a trained coach in our physical education director and has evolved many talented shooters with their everyday dedication and concentration has brought many laurels to the college at the State, National level and International level. Shooting Academy has signed MOU's and also associated with Karnataka State Rifle Shooting Asserption, which always co-operates in hosting many shooting competitions in the academy. Shooting range is well maintained with all the necessary equipment and looked after by the dedicated mentors. Currently, academy has 6 shooting range with target slides installed and also two digital shooting targets connected to the digital screens to check and calculate the scores accurately. Hence, this shooting academy has been a unique identification of our college.
